IADLEST CERTIFIED CET CURRICULUM OVERVIEW

CET modules certified by the International Association of Directors of Law Enforcement Standards & Training (IADLEST) through the National Certification Program (NCP) are accepted by 37 states and may be eligible for POST continuing education hours.

Learn more about IADLEST at iadlest-ncp.org.

CURRICULUM REQUIREMENTS

To fulfill the IADLEST certified curriculum requirements, the following steps must be completed:

1 **Review the Facilitator's Guide & download the additional curriculum materials from the VR training materials page**

- Sample course roster
- Certificate of completion

2 **Provide the trainee with the pre-work handout which provides an overview of the CET**

- Axon also recommends providing the trainee with any applicable agency policy
- The pre-work handout is in the Facilitator's Guide

3 **Trainee reviews pre-work handout & applicable agency policy**

Trainer **MUST** use a tablet or casting device to enhance their assessment capabilities

4 **Trainee completes the VR in-headset scenario experience**

Trainer **MUST** use a tablet or casting device to view the trainee's selections

5 **After completing the in-headset experience, use the scenario assessment rubric to debrief with the trainee**

Trainee **MUST** achieve a score of 100% on the scenario assessment rubric to meet the learning objectives and IADLEST-certified curriculum requirements

6 **Log the trainee's attendance & completion according to agency-specific policy**

A sample course roster is included as part of the curriculum on the VR training materials page

7 **Provide the trainee with a certificate of completion**

A sample certificate of completion is included as part of the curriculum on the VR training materials page

8 **Follow agency policy for submission to POST for continuing education credit**

Follow agency-specific policy

NOTE: A Facilitator's Guide, sample course roster, and certificate of completion for each CET module are available on the Virtual reality training page on Axon Help.
